TO ALL WHO VALUE THEIR SIGHT. NASSYTLLA, July 26, 1855.

Mr. J. H. Sammons - Sir: I have been using for one week the pair of Brazillian Speciacles that I purchased from you, and I do not be little to say that they are by far the best that I have ever used. I am unabled to read the finest print at night by a dim light, without straining r y eyes, whereas the spectacles that I have used heretofore used furt them, and I could not read with any satisfaction. I consider your spectacles a great improvement upon any that I have ever seen. Yours respectfully, G. M. FOGG.

From Egbert A. Raworth, Esq., City Becorder. Mr. J. H. Summons-Sir; After ten days constant use of Mr. J. H. SEMMANS—SIT: After ten days constant use of the Spectacles obtained from you, I feel guarantied in testi-lying to their efficiency in restoring or relieving impaired vision. Previocate obtaining them my manuscript duties were performed with much labor to the eye, and often with pain; but since I have used your Braziliam Pebbles I have experienced nothing of the kind, but feel perfectly rejuvena-ted. Whether relief proceeds from the peculiar form of the glasses of the material, or both combined, I cae not say. They enlarge the sphere of focus, and thereby greatly relieve vision, without producing the unpless aniness created
by the convex form.

NASHNILLE, July 17, 1855 Mr. J. H. Szamows-Sir; I have been using for several months a pair of your "Brazilian Pebble Spectacles," and believing they are the only kind I have ever seen capable of completely restoring vision, which has been impaired, to its primitive perfection, I take pleasure in recommending them to the public.

Very respectfully,

D. C. TOPP. From Dr. A. W. Hunt.

The glasses you sent me suit my eyes well, much better than any I ever saw. We, the undersigned, have used for some time Mr. J. fl. Semmons' Brasillan Petble Spectacles, and have found them far superior to any others we have used. We cheerfully recommend them to the public.

A. W. BUTCER,

JOHN D. WIN: TON, M. D. NOST. GILSON,

"Persons cannot be too cautions of whom they purchase Spectacles, as they are to be bought wholesale at tittle more than one chilling per dogen, and such inferior articles cannot be too much reproduced. "Glasses should be large enough to cover the entire eye. The abuses of small frames are but little known to persons using glasses."

Mr. S. would inform the public that he employs no agents to sell his celebrated Speciaties; and they can only be obtained at HIS OFFICE. OVER BERRY'S BOOKSTORE, And all his genuine glasses are stamped on the frame thus, " 3; IL Semmons."
